## PRODUCT AND SERVICES

Please supply a complete list of products (or services) that your company manufactures or supplies, and place a cross (X) next to each product using the classification below. You may add extra pages to accommodate all your company's products.

M = your company manufactures the product in South Africa

D = your company distributes or wholesales the product

S = your company sells the product directly to the end user

V = your company provides this service

I = your company imports the product

E = your company exports the product

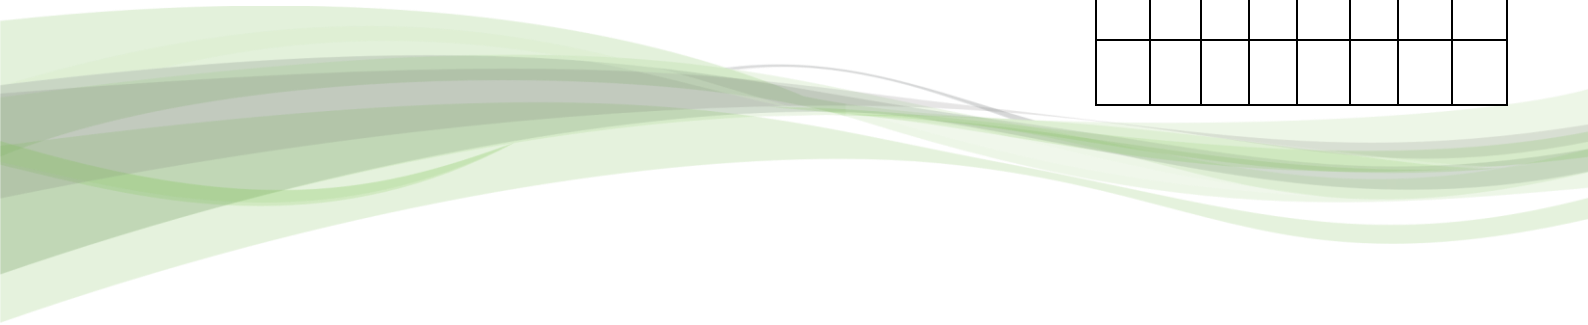

R = your company repairs the product

C = your company installs and commissions the product

DESCRIPTION OF THE PRODUCT OR SERVICE

CLASSIFICATION

M	D	S	V	I	E	R	C
